FA

Farellino Audric

COMPUTER SCIENCE UNDERGRADUATE

OBJECTIVE

Computer Science undergraduate at BINUS UNIVERSITY who is passionate to solve complex problems through logical thinking and teamwork. I'm also seeking to find fresh and exciting experience with proven leadership in student organizations and to create a mindset that enables me to create innovative solutions at the Apple Developer Academy.

SKILLS

Proficient at using C, Python, and Java. I'm specialized at using SQL to design relational databases and query optimization, integrated with Python to visualize the data also responsive in managing real time operational challenges in high pressure and fast paced environments. Experienced in leading team members and organizing community and outdoor activities. Skilled in making creative scriptwriting and organizing large scale activities.

EXPERIENCE

Part Time Operations Staff • Dino Play • 2024 - 2025

Managed the daily operations of 5 amusement rides in a busy mall environment, serving on average of 50 visitors per day and successfully handling peak loads up to 200 customers. Ensuring strict safety protocols including crowd control, transaction management, and basic technical troubleshooting on the machines. I also collaborated with a shift team of 3 staff to maintain smooth operations.

EDUCATION

Bachelor of Computer Science • 2028 • BINUS UNIVERSITY

- Current GPA : 3.10 / 4.00
- Relevant Coursework : Enrolled in Database Technology streaming, focusing on handling large data and how to process and visualize the data.
- Awards & Honors : Participated in competitive programming contest which is Indonesia Nasional Contest (INC).

High School Diploma • Science • 2022 - 2024 • SMA Strada Santo Thomas Aquino)

- Active in organization and outdoor management.

VOLUNTEER EXPERIENCE OR LEADERSHIP

Treasurer • DV TEACH 2025 • Oct 2025 - Nov 2025

Responsible for managing and allocating funds with a total budget of 3 million for educational community activities targeting 50 participants. Collaborated with 15 committee members to ensure accurate financial tracking with zero discrepancies.

Committee Member • Malam Keakraban 2025 • Dec 2024 - Mar 2025

Played a key role in the overall planning and execution of a large scale student community event attended by more than 80 participants. Contributed at draft and writing the event's master of ceremonies script while coordinating closely with 5 different divisions.

Chairperson • HIKADACITA • Jul 2023 - Jul 2024

Led and managed a nature club with 21 members. Was responsible for organizing weekly club activities and successfully executing three major outdoor events safely, utilizing strong decision-making strategies, a resilient team, and the ability to adapt to the natural environment.
